I. INTRODUCTION

A. Purpose

The purpose of this Request for Proposals (“RFP”) is to solicit proposals, in accordance with the Procurement Code (Chapter 13, Article 1 NMSA 1978); GSD Rule 1.4.1 NMAC, Procurement Code Regulations, if applicable; and DFA Rule 2.40.2 NMAC, Governing the Approval of Contracts for the Purchase of Professional Services, from qualified firms of certified public accountants (“Offeror”) to perform the audit of the State of New Mexico’s Comprehensive Annual Financial Report (“CAFR”) for the fiscal year ended June 30, 2019, with the option to renew the contract for two additional subsequent fiscal years. These audits are to be performed in accordance with auditing standards issued by the Comptroller General of the United States, Government Auditing Standards, and the New Mexico State Auditor Rule, Requirements for Contracting and Conducting Governmental Audits (2.2.2 NMAC). NMSA 1978, Section 13-1-191.1 requires prospective contractors to complete a standard campaign contribution disclosure form and submit it as part of the proposal.

Because the State of New Mexico’s federal programs are awarded to, and administered by, specific state departments, agencies, boards and commissions, the State of New Mexico does not currently undergo a statewide Single Audit. Single audits are conducted at each department, agency, board, commission and component unit level annually in conjunction with their financial statement audit. Therefore, the RFP for audit services for the 2019 CAFR does not include a section for a Single Audit.

B. Background and General Information

NMSA 1978, Chapter 6, Article 5, Section 4.1 requires the State of New Mexico (“State”), Department of Finance and Administration (“DFA”), Financial Control Division (“FCD”) to compile a comprehensive annual financial report. NMSA 1978, Chapter 12, Article 6, Section 3.A. of the Audit Act requires the comprehensive annual financial report for the state to be audited each year.

The CAFR is prepared in accordance with United States Generally Accepted Accounting Principles (“GAAP”) for governments as promulgated by the Governmental Accounting Standards Board (“GASB”). The State of New Mexico has issued an annual CAFR since 1995: beginning in 2002, the CAFR has been reviewed by a certified public accounting firm which has issued an independent accountant’s report for fiscal year. Starting with fiscal year
2013’s report, the CAFR has been fully audited.

For financial reporting purposes, the State of New Mexico’s primary government includes all funds of the State, its three branches of government, departments, agencies, boards, commissions, special schools and state universities created by the Constitution of the State. The State has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the State are such that exclusion would cause the State’s financial statements to be misleading or incomplete. Therefore, the State’s reporting entity also includes those component units that are legally separate entities, for which the State’s elected officials are financially accountable. The State’s component units are the following, all of which are discreetly presented except the last entity which is blended:

- New Mexico Finance Authority
- New Mexico Mortgage Finance Authority
- New Mexico Lottery Authority
- University of New Mexico Sandoval Regional Medical Center
- University of New Mexico Foundation, Inc.
- University of New Mexico Medical Group
- New Mexico State University Foundation, Inc.
- Charter Schools and Charter School Foundations administered by the State’s Public Education Department
- New Mexico Military Institute Foundation, Inc.
- University of New Mexico Alumni Association, Inc.
- University of New Mexico Lobo Club
- University of New Mexico Anderson School of Management Foundation, Inc.
- STC.UNM
- Lobo Development Corporation
- Lobo Energy, Inc.
- New Mexico Institute of Mining and Technology – Research Park Corporation
- New Mexico Highlands University Foundation, Inc.
- New Mexico Highlands University Stable Isotopes Corporation
- Western New Mexico University Foundation, Inc.
- Eastern New Mexico University Foundation, Inc.
In July 2006, the State of New Mexico implemented an Oracle PeopleSoft enterprise resource planning system (ERP) referred to as SHARE (Statewide Human Resources, Accounting, and Management Reporting System) as its central accounting system. The CAFR is prepared primarily from accounts and records maintained in SHARE and the independent audit reports issued for each department, agency, board and commission across the three branches of government. The financial data for the state universities, certain governmental agencies and discretely presented component units have been derived from reports prepared by those organizations based on their independent accounting systems. One-hundred twenty-six (126) of one-hundred forty (140) governmental entities utilize the SHARE statewide centralized accounting system.

The CAFR is presented in three sections. The Introductory Section includes a transmittal letter, a list of selected state officials and an organizational chart. The Financial Section includes management’s discussion and analysis, the basic financial statements and notes, the required supplementary information, and other supplementary information. The Statistical Section includes unaudited tables and financial trend information.

Interested Offerors who wish to review prior year’s CAFR reports can refer to DFA’s website at http://www.nmdfa.state.nm.us.

C. Qualified Offeror

DFA will only consider proposals from Offerors who are on the New Mexico State Auditor’s approved firm list or other firms approved by the New Mexico State Auditor and placed on the New Mexico State Auditor’s list. The firm selected must be approved, at the time of proposal submission, by the New Mexico State Auditor to provide audit services to New Mexico public entities. A proposal will be disqualified if the Offeror is not on the New Mexico State Auditor’s approved firm list at the time of submission.

D. Summary Scope of Services

DFA desires the Offeror to perform the Scope of Work specified in the standard “State of New
Mexico Audit Contract,” a copy of which appears as Appendix A to this request for proposals. The State Auditor has selected the State of New Mexico’s CAFR financial audit for fiscal year ending June 30, 2019 as a joint venture engagement and will work with the successful Offeror to plan and obtain the corresponding portion of the contract fee, up to 30% of the engagement.

The records shall be subject to inspection by the Agency and the State Auditor. The Agency and the State Auditor shall have the right to audit billings both before and after payment. 10. **RELEASE**

The Contractor, upon receiving final payment of the amounts due under the Contract, releases the State Auditor, the Agency, their respective officers and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Contract. This paragraph does not release the Contractor from any liabilities, claims or obligations whatsoever arising from or under this Contract.

The Agency and the State Auditor may post an audited financial statement on their respective websites once it is publicly released by the State Auditor. The Contractor agrees that the FCD of DFA is free to use the audited financial statements in the statewide Comprehensive Annual Financial Report (CAFR) and that the Contractor’s audit report may be relied upon during the audit of the statewide CAFR, if applicable. However DFA should not provide to any third party, other than the CAFR auditor, the draft audit report or its opinion letters or findings.

13. **CONFLICT OF INTEREST**

The Contractor represents and warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Contract. Each of the Contractor and the Agency certifies that it has followed the requirements of the Governmental Conduct Act, Section 10-16-1, et seq., NMSA 1978, regarding contracting with a public officer, state employee or former state employee, as required by the applicable professional standards.

14. **INDEPENDENCE**

The Contractor represents and warrants its personal, external and organizational independence from the Agency in accordance with the *Government Auditing Standards 2011 Revision*, issued by the Comptroller General of the United States, and NMAC Section 2.2.2.8. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract. Contractor and Agency shall enter into and execute an
engagement letter pursuant to NMAC Section 2.2.2.8, consistent with Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAGAS). 18. **AGENCY BOOKS AND RECORDS**

The Agency is responsible for maintaining control of all books and records at all times and the Contractor shall not remove any books and records from the Agency’s possession for any reason.

19. **APPROPRIATIONS**

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the legislature or the Agency’s governing body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature or the Agency’s governing body, this Contract shall terminate upon written notice being given by the Agency to the Contractor. The Agency’s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. This section of the Contract does not supersede the Agency’s requirement to have an annual audit pursuant to Section 12-6-3(A) NMSA 1978.

In accordance with all such laws, rules, regulations and orders, the Contractor assures that no person in the United States shall, on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or serious medical condition, spousal affection, sexual orientation or gender identity be excluded from employment with or participation in, be denied the benefits of, or be otherwise
subjected to discrimination under any program or activity performed under this Contract. If the Contractor is found not to be in compliance with these requirements during the life of this Contract, the Contractor shall take appropriate steps to correct these deficiencies.

22. **WORKING PAPERS**

   A. The Contractor shall retain its working papers of the Agency’s audit conducted pursuant to this Contract for a period of at least five (5) years after the date shown on the opinion letter of the audit report, or longer if requested by the federal cognizant agency for audit, oversight agency for audit, pass through-entity or the State Auditor. The State Auditor shall have access to the working papers at the State Auditor’s discretion. When requested by the State Auditor, the Contractor shall deliver the original or clear, legible copies of all working papers to the requesting entity.

   B. The Contractor should follow the guidance of AU-C 210.A.27 to A.31 and AU-C 510.A.3 to .A9 in communications with the predecessor auditor and to obtain information from the predecessor auditor’s audit documentation.

24. **INVALID TERM OR CONDITION**

   If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected.

25. **EMPLOYEE PAY EQUITY REPORTING**

   A. If it has ten (10) or more New Mexico employees OR eight (8) or more employees in the same job classification at any time during the term of this Contract, the Contractor shall complete and submit the PE10-249 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. If the Contractor has (250) or more employees the Contractor shall complete and submit the PE250 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. For contracts that are extended beyond one (1) calendar year, the Contractor shall also complete and submit the PE10-249 or PE250 form, whichever is applicable, within thirty (30) days of the annual contract anniversary date of the initial submittal date or, if more than 180 days has elapsed since submittal of the last report, at the completion of the contract, whichever comes first. If the Contractor does not meet the size requirement for reporting a contract award but subsequently grows such that they meet or exceed the size requirement for reporting, the Contractor shall provide the required report within ninety (90 days) of meeting or exceeding the size requirement. That submittal date shall serve as the basis for
submittals required thereafter. The Contractor shall also impose this requirement on any subcontractor(s) performing more than 10% of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract. If one or more subcontractor does not meet the size requirement for reporting a contract award but subsequently grows such that they meet or exceed the size requirement for reporting, the Contractor shall submit the required report for each such subcontractor, within ninety (90 days) of that subcontractor meeting or exceeding the size requirement. Subsequent report submittals, on behalf of each such subcontractor, shall be due on the annual anniversary of the initial report submittal. The Contractor shall submit the required form(s) to the State Purchasing Division of the General Services Department, and other departments as may be determined, on behalf of the applicable subcontractor(s) in accordance with the schedule contained in this paragraph. The Contractor acknowledges that this subcontractor requirement applies even though Contractor itself may not meet the size requirement for reporting and be required to report itself.
