RE: Mandatory Survey for Infrastructure Project Milestone Tracking

Dear Grantee,

On behalf of the Department of Finance and Administration, Local Government Division (DFA/LGD), we are writing to inform you that all local governments that have received funding for infrastructure projects from the Legislature or the Governor will be required to complete a mandatory survey.

This survey is part of a new initiative designed to track the progress of infrastructure projects statewide. The primary goal is to gather information on key milestones in your project's lifecycle, such as:

- Completion of major phases
- Funding awarded by the agency
- Request for Proposal (RFP) process
- Groundbreaking ceremonies
- Ribbon-cutting events

Your input is essential in helping us ensure the success and accountability of these infrastructure projects. By participating, you will help us report on the milestones and outcomes of these important projects.

Survey Deadline: March 6, 2025

Survey Link: [HERE](#)

Please take a moment to complete the survey. If you have any questions or need assistance, feel free to contact us. Thank you for your continued efforts in advancing New Mexico's infrastructure development.

Best regards,

Cecilia Mavrommatis
